We purchase our garments from third parties. To ensure your order is correct and you receive the right item, we may give these third parties references for each piece. This may include your name or business name. All work performed will be held under legitimate interests meaning data is only ever used to perform the task required. If you would like to be informed as to which third party we will be using for your order, please ask us before proceeding. If you have any concerns or questions, please direct them to Nicola Edginton on info@deezynes.net

Entering Competitions Online or via stands.

Online.

When entering competitions through our social media, we will be able to see your user name. We need to have this data so we can pick a winner. The winners name will be announced on our social media and will be notified by message. When the winner has received their prize, we destroy all relevant data (except any social media posts) and store a copy of the competition and the winners initials.

Through stands & exhibitions.

When entering competitions on our stands, on paper we may ask for your name and phone number and where applicable, business name and email address. We ask for this data to be able to contact winners. If you are a winner, you may be asked for your postal address so we can send you your prize. Once all winners have been notified and prizes delivered, we destroy all relevant data and store a copy of the competition and the winners initials.

COOKIES

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. We only use Google Analytics for this purpose.

USES MADE OF THE INFORMATION

We use information held about you in the following ways:

- **Information you give to us.** We will use this information:
 - to carry out our obligations arising from any contracts entered into between you and us and to provide you with the information, products and services that you request from us;
 - to provide you with information about other goods and services we offer that are similar to those that you have already purchased/used or enquired about;
 - to provide you with information about goods or services we feel may interest you. If you are a new or existing customer, we will only contact you by electronic means (e-mail) with information about goods and services similar to those which were the subject of a previous sale or negotiations of a sale to you. If you do not want us to use your data in this way, please inform our data controller Nicola Edginton on info@deezynes.net
 - to notify you about changes to our service;
 - to ensure that content from our site is presented in the most effective manner for you and for your computer.
- **Information we collect about you.** We will use this information:
 - to administer our site and for internal operations, including troubleshooting, data analysis, testing, research, statistical and survey purposes;
 - to improve our site to ensure that content is presented in the most effective manner for you and for your computer;
 - to allow you to participate in interactive features of our service, when you choose to do so;
 - as part of our efforts to keep our site safe and secure;

- to measure or understand the effectiveness of advertising we serve to you and others, and to deliver relevant advertising to you;
- to make suggestions and recommendations to you and other users of our site about goods or services that may interest you or them.

DISCLOSURE OF YOUR INFORMATION

We may share your personal information with any member of our group, which means our subsidiaries, our ultimate holding company and its subsidiaries, as defined in section 1159 of the UK Companies Act 2006.

We may share your information with selected third parties including:

- Business partners, suppliers and sub-contractors for the performance of any contract we enter into with [them or] you.
- Advertisers and advertising networks that require the data to select and serve relevant adverts to you and others. [We do not disclose information about identifiable individuals to our advertisers, but we may provide them with aggregate information about our users (for example, we may inform them that 500 men aged under 30 have clicked on their advertisement on any given day). We may also use such aggregate information to help advertisers reach the kind of audience they want to target (for example, women in SW1). We may make use of the personal data we have collected from you to enable us to comply with our advertisers' wishes by displaying their advertisement to that target audience.
- Analytics and search engine providers that assist us in the improvement and optimisation of our site.

We may disclose your personal information to third parties:

- In the event that we sell or buy any business or assets, in which case we may disclose your personal data to the prospective seller or buyer of such business or assets.
- If Deezynes or substantially all of its assets are acquired by a third party, in which case personal data held by it about its customers will be one of the transferred assets.
- If we are under a duty to disclose or share your personal data in order to comply with any legal obligation, or in order to enforce or apply our terms of website use found on www.deezynes.net and other agreements; or to protect the rights, property, or safety of Deezynes, our customers, or others. This includes exchanging information with other companies and organisations for the purposes of fraud protection and credit risk reduction.

WHERE WE STORE YOUR PERSONAL DATA

All information you provide to us is stored on our secure servers. Any payment transactions will be encrypted [using SSL technology].

Unfortunately, the transmission of information via the internet is not completely secure. Although we will do our best to protect your personal data, we cannot guarantee the security of your data transmitted to our site; any transmission is at

your own risk. Once we have received your information, we will use strict procedures and security features to try to prevent unauthorised access.

For backup purposes we use cloud based software through Forest of Dean PC Rescue. You can find their privacy policy on <https://pcrescue.org.uk/>

YOUR RIGHTS

You have the right to ask us not to process your personal data for marketing purposes. We will usually inform you (before collecting your data) if we intend to use your data for such purposes or if we intend to disclose your information to any third party for such purposes. You can exercise your right to prevent such processing by checking certain boxes on the forms we use to collect your data. You can also exercise the right at any time by contacting us at info@deezynes.net

Our site does contain links to and from the websites of our partner networks, advertisers and affiliates. If you follow a link to any of these websites, please note that these websites have their own privacy policies and that we do not accept any responsibility or liability for these policies. Please check these policies before you submit any personal data to these websites.

Customers of Deezynes.

Please see our separate data privacy policy, which will include a full description of data held before, during and after your order.

ACCESS TO INFORMATION

The Act gives you the right to access information held about you. Your right of access can be exercised in accordance with the Act. Any access request may be subject to a fee of £10 to meet our costs in providing you with details of the information we hold about you.

CHANGES TO OUR PRIVACY POLICY

Any changes we may make to our privacy policy in the future will be posted on this page and, where appropriate, notified to you by e-mail. Please check back frequently to see any updates or changes to our privacy policy.

Personal Data Breach Process.

We have a duty to report certain types of personal data breaches to the relevant supervisory authority. Should this occur, we will notify them within 72 hours of becoming aware of the breach, where feasible. If the breach is likely to result in a high risk of adversely affecting individuals' rights and freedoms, we will also inform those individuals without undue delay. We will be required to keep a record of any personal data breaches, regardless of whether we are required to notify.
